

# a suboptimal day

Please read the following license agreement. To continue with setup, you must accept the agreement.

f. Windows Media Digital Rights Management. Content providers are using the digital rights management technology for Windows Media contained in this Software ("WM-DRM") to protect the integrity of their content ("Secure Content") so that their intellectual property, including copyright, in such content is not misappropriated. Portions of this OS Software and third party applications such as media players use WM-DRM to play Secure Content ("WM-DRM Software"). If the
